

BECOME A DEALER WITH N5500 AND MAKE OVER N500 000 MONTHLY ON FINITEMA PROGRAMME

Introduction: Every business owner desires to make good sales on daily basis, but this expectation fails a lot of times. Thus, the expanded e-commerce programme running on www.finitema.com has been developed to boost sales of businesses, create online income and create on-net jobs. Finitema is an online market that brings sellers and buyers to transact using four different methods. Finitema programme offers opportunities to earn from voucher dealership with low entry requirements, referrals, advert sponsorship and other channels.

Finitema.com website has been running since 2011. The software has undergone series of development, but now set for full activities. This document invites your participation as dealer of Finitema recharge voucher. Enrolled dealers will attend expository briefing in the state capitals to address the highlights below. The briefing comes ahead of the business seminar which provides great insight to the capabilities on Finitema programme.

Three Objectives of Finitema: Firstly, Finitema programme will help members to promote their businesses and sell their goods quick using any of our four transaction instruments. Secondly, it will generate large quantity of direct and indirect employment opportunities and, use other tools for members to earn online legitimately.

Participation on Finitema: Registration and membership is free. We are using the optional referral system with rewards to enlist students, applicants, business owners and workers as members. A registered member can play any of the roles of seller, buyer, referrer, jobs prospects or investor to make more money on Finitema.

Investment Options on Finitema: The investment options will be opened up in phases. Referrals, Dealership and Sponsorship of adverts in the media to enlist dealers are available. Advert sponsorship requires investment of N20 000, N40 000, N60 000, N100 000 and N250 000. Accounts of advert sponsors are assisted to make over 200% monthly returns on investment. Dealers get assisted to generate over N500 000 monthly income.

Referral Option on Finitema: Referrals offers huge earning opportunity for students and salary earners. This system will enroll many business owners on our streets, the poor and the rich alike on this programme. The rich will be trading with their money as investors for good returns. A member can be a nominal or investor referrer. Investor referrer on N5000 or N10 000 will get certificate of investment. The accounts are assisted to make over 200% monthly returns on investment and investment recovery within 6 months. Members can also refer friends.

Payment System on Finitema: Finitema voucher is the method of payment for transactions. It can be loaded into web account, just like loading credit on GSM phone. It will secure online transactions. It is e-wallet system to make payment for online orders, Adverts, SMS and bidding; and will be available from commissioned dealers

Why Enlist Dealers on Finitema?

Dealership Option on Finitema: Dealers are customers, investors and partners on Finitema to effectively circulate Finitema voucher across the country with an opportunity to maximise their time, space and resources.

Requirements to be a Dealer: Dealership is designed for business owners with space who desire additional income. Intending dealers should possess internet connectivity, printer and space to seat two marketers. The working capital of N5500 and supporting facilities to host the Finitema free seminars nationwide will be required.

Benefits of Participation as Dealer: Dealers will enjoy 150 days credit supply of voucher for risk free participation. Dealers earn 5% discount on orders and will be assisted by marketing team to create network of 50 retailers who also earn 5% discount. Each retailer is assisted by the marketing team to enlist 50 customers to boost sales, and will be assisted for online earnings. Finitema free seminars will be used to create awareness

Dealership Size on Finitema: Dealership on Finitema has carriage capacity for about 10 000 sub dealers nationwide. A sub or main dealer may be assigned to serve the recharge card sellers within each political ward on first come, first served basis. Therefore, the first person to pay the enrolment fee gets the slot in the ward.

Transactions on Finitema: Members can advertise their businesses, upload or order for products, submit free applications for jobs, loans, grants and participate in bidding activities.
